Jacek Wieteska's Resume

Application for Cyber Security Analyst, CyberProof

Jacek Wieteska, esccode.pl

October 24, 2024

Contents

Dear Hiring Manager,

As an aspiring cybersecurity professional, I am focused on supporting the implementation of security controls and aligning them with organizational objectives. I have foundational knowledge in monitoring security incidents, analyzing potential threats, and applying basic skills across areas like Threat Intelligence, Vulnerability Management, and Incident Detection. I am eager to continue developing expertise while contributing to the protection of digital assets and infrastructure.
